*“It’s a Tuscan kind of Love”*

To the Future Bride & Groom,

Thank you so much for enquiring about weddings at Borgo Santo Pietro. We would be delighted to assist you in organizing a bespoke ceremony or unique marriage celebration here in Tuscany.

Borgo Santo Pietro offers an exceptional location for weddings ranging from intimate occasions to grand-scale formal celebrations up to 100 guests. Borgo is a five-star boutique hotel located in the very heart of the Tuscan countryside near the medieval city of Siena.

At Borgo Santo Pietro you can choose to hold your blessing in one of the many enchanting rooms within the 13th century stone villa or at one of the romantic spots in our beautiful gardens. A few kilometers away you will find the mystical abbey ruins of San Galgano and the round church of Montesiepi, which houses the famous 'sword in the stone'. We can arrange for your ceremony to be held at either of these historic properties, with post-wedding celebrations and accommodation provided at Borgo.

We would be pleased to assist you in every aspect of your wedding and look forward to meeting you in person. Please do not hesitate to contact us if you would like any further information.

## OUR RESTAURANTS

Saporium | Gourmet Restaurant

✿ MICHELIN 2026

Saporium, located within the beautifully restored thirteenth-century villa, embodies a 'farm to plate' philosophy uniting a deep understanding of our Tuscan culinary heritage with seasonal bounty cultivated onsite at the 300-acre Tuscan estate. By collaborating with the estate's farmers and culinary gardeners, is able to craft highly personalized gourmet dishes using tailor-made, certified organic ingredients. The Meo Modo wine cellar hosts nearly 1,500 boutique and prestigious labels that showcase Tuscan and Italian producers, whose passion for wine and time-honored techniques faithfully reflect the terroir in which each wine is produced.

### Trattoria Sull'Albero

Sull'Albero is a Trattoria, Brasserie & Bar built around a giant spreading oak with a terrace overlooking sweeping views of the Valle Serena and the estate's newest vineyards. Inside, the light-filled interior evokes the feeling of dining in an immense tree house, with table settings beneath the oak boughs, exquisite wood detailing and trailing plants overhead. Exposed beams, studded leather armchairs pulled up to a double-sided fireplace and clustered by the rough-hewn wooden bar create an elegantly rustic and laid-back atmosphere, ideal for enjoying a traditional Tuscan meal by the fire or a glass of wine on the terrace. Sull'Albero's menu showcases Borgo Santo Pietro's 'farm to plate' philosophy, with organically cultivated ingredients sourced from its farm, artisan dairy and culinary gardens. Outside, the open courtyard offers a shady spot for a cool drink near the freshwater infinity pool, where diners can perch on a stool at the outdoor bar.
